9:15 a.m. Peer Opportunities  
Sunday School GIFT  
(Generations In Faith Together)  
begins with Rally Sunday on  
September 9th and our last day  
is April 28th. Our readings each  
week are based on a scripture  
lesson for that Sunday, church  
season or event.

We begin with FAITH5  
(Share, Read, Talk, Pray, Bless)  
and then transition into peer  
learning opportunities such as  
activities, projects, games, Bible  
study and more.
