

We're very excited that you have found Zion Lutheran Church!

Maybe the website is your first experience with us, or you perhaps you have already visited and are checking us out a little more thoroughly. Whatever the case, we're glad you've found us.

Zion is a phenomenal community of people – real people with lots of different stories and backgrounds. We are a congregation with lots of life, tons of memories and experience, and an excitement for the future. We love Jesus, our neighbor, and want to help others know the love, trust, and hope we find in Jesus.

I (Pastor Will) began serving as Zion's pastor in September 2015.

I was born and raised in Auburn, Washington, just south of Seattle. Since then, I have lived in Spokane, Coeur d'Alene, Saint Paul, and Vermillion (South Dakota). My wife and I spent a year living in South Africa, Cameroon, and various places in Europe as well. She is the pastor of Terry Community Presbyterian Church and Hope American Lutheran Church in Fallon.

After graduating from Whitworth University, I worked at Lutherhaven Ministries, from there going on to Luther Seminary for my theological education.

Again, we're excited you are here. I serve as pastor, and there are many other faith-filled people serving here, too. Zion is a great group of people, and we hope you check us out!

Pastor Will
